

Celebrate with Forty Eight

DELTA VIRGINIA BEACH MICROWEDDING

A micro wedding is an intimate affair, typically with no more than 50 guests. They still feature time-honored traditions that make a wedding but on a much smaller scale. Often the guest list is immediate family and super-close friends that you will have more time with during your celebration along with enjoying the food, the entertainment and all of the little elements that make up your perfect day.

This package is all inclusive for the wedding couple and 48 guests and is reserved for Friday and Sunday Weddings.
