COUNTRY CLUB

WITH DETAILS THAT SHINE

Let us help make your day everything you want it to be!

"Getting married at Glenmoor Country Club was one of the best decisions we made throughout the entire planning process! The team went above and beyond to make our evening magical - from accommodating my entire family, to making sure my bridal team didn't have to lift a finger on my day, to reusing my decorations from the ceremony into the evening, they were there every step of the way without me even having to ask!"

Jenny K.

"It was a dream getting married at Glenmoor Country Club! Getting ready in the elegant dressing room was so much fun. The whole evening went smoothly, which is more than you can ask for on your wedding day. The food was delicious. They took care of everything on the day of; they were organized and had a creative eye for where certain decorations should go. They took us out on the golf course for incredible sunset photos. They truly took care of all of our last minute needs. The garden/ night time vibes with the dance floor nearby cannot be matched. It was a magical day!!"
