## Thank you for connecting with Crescent Oaks Country Club!

It would be a pleasure to earn your business. Our mission is to exceed your expectations and provide you with a warm and relaxing event planning process.

Crescent Oaks Country Club is a 10,000 square foot newly remodeled rustic mediterranean charming clubhouse, and you do not have to be a member to host an event.

We have three different ballroom options to choose from depending on the size room you will need. In addition to our ballrooms we offer a screened in lanai, covered veranda, and a small meeting room.

Listed in your special events packet you will find our food and beverage minimums for each space, room rental, and max guest capacity.

We have a Food and Beverage Minimum requirement for Fridays, Saturdays and Sundays. We also have flexibility to accommodate you during the weekend- day and weekdays.

Our food and beverage minimums simply mean this is the minimum amount that a potential client must spend in catering in order to secure the ballroom or event space. When you sign our contract you are locking in on your space, date, time, and agreeing to the room rental and food and beverage minimum only. You can decide on your menu selections when you are comfortable.

Room rentals alone include 5 hour event time for weddings and 4 hours event time for non-weddings.

Room rentals include set up, break down, clean up, banquet chairs, tables, standard white or black table linens and napkins, glassware, silverware, and china.

First things first, if you like the options you see, let's have you come out for a tour of our charming and welcoming venue to make acquaintances and get started with the planning of your event!

Thank you for considering Crescent Oaks Country Club, where we make your dreams come true!
