The Upper Deck is an outdoor space that allows your guests to experience a 360° view of beautiful Mission Bay

The upper deck can hold up to 50 passengers and can be transformed into a dance-floor or host a musical performer.

Pricing

Private charter pricing varies depending on time of day and type of event. We offer inclusive packages as well as customized events. Please talk to our sales team as they are happy to help curate the perfect private charter within your budgetary needs.

Bar Service

Welcome to our Mahalo Bar, our very own environmentally conscious floating bar!

The Mahalo Bar is our on-board bar service, with environmental initiatives. When you book a bar package we donate 1% of our sales to environmental non-profits. We try our best to source our bar offerings from local companies who also have sustainability initiatives. We reduce plastic waste by serving with biodegradable and compostable cups.

Vendor Recommendations

We have great vendors that we work with from catering to DJ services. However, we allow outside vendors, with the exception of alcohol.
