# WEDDING PACKAGES

Weddings by the Sea

Congratulations on your engagement!

Having witnessed many happy brides and grooms celebrate their most special day with us, we are thrilled to be able to work with yourselves to plan one of the most important days of your lives.

At Murphy's on the Water, we make it easy and fun to plan your special day. We'll help you create the wedding you always dreamed of: from the catering, bar service, entertainment, available bus transportation, and all the little details in between, it will be our pleasure in making your day extra special!

After many years of hosting weddings, we still truly enjoy every aspect of creating the most amazing day possible, not only for the couple, but for also for their guests. Past couples have remarked on how thrilled they were on their wedding day, and thankful that we were able to put their minds at ease. What has always made us most proud are the comments of how accommodating our team was, how fantastic their photos turned out, and how thankful they were because of our connections to industry partners such as Justices of the Peace, photographers, DJs, entertainment, and more,

If you have any questions, or would like more information, please do not hesitate to contact us. We may be reached at [info@mtcw.ca](mailto:info@mtcw.ca) or 902-420-1015. We look forward to hearing from you.
