"Niki is one of the best event producers, catering experts, and venue pros that I have worked with! She literally can do it all. With all of her contacts she always knows the right fit to make your event perfect. She specializes in weddings, social, and corporate events and always know the latest trends for them all! I definitely would hire Niki if you want your event to be perfect from start to finish!" A.O.S. Marketing

"Working for a venue it's extra special for me when a wedding couple lets me know they have hired Niki from Events with NJ – because I know that I will be working with one of the best. There has been countless couples tell me how relieved they were to have hired Niki to designing and executing their wedding's food, details, and overall vision for the day. In the event business, we all know that things don't always go as planned. I can tell you from personal experience – she has plan B, C, D, E, and probably F and G ready to go without anyone knowing about plan A – she is just that good." Desert Botanical Gardens

"Niki is an amazing leader. She has a thirst for knowledge and being a leader in our industry. She takes on challenges with ease and grace, and always with a smile. Niki is a true professional who wins the respect of others through her integrity and unwavering desire to bring out the best in everyone she meets." Hotel Valley Ho
