ALL guests will need to show state issued identification. Anyone showing signs of intoxication will not be served. We reserve the right to "cut off" alcohol service to certain guests, ask problem individuals to leave, close the bar, or end the party entirely. Hosted Tabs or Drink Tickets

"Hosting" means that you are paying. You can limit a tab by who is allowed to order on it, total dollar amount, time frame, type of alcohol allowed, cost of each item allowed. Drink tickets work the same way as a hosted tab, expect it limits people to a certain number of drinks each. The tickets have no value; they are just a permission to add a drink on to a tab. The charge for their drink depends on what they are ordering within your set limitations.

Please see the restaurant drink menu for bottled wine and champagne options.
