

The image shows the interior of a cafe named Third Space Coffee. The space is filled with people working on laptops, some wearing headphones. There are large green plants, including a prominent hanging plant on the left and a tree-like plant in the center-right. The seating includes wooden chairs at tables and orange leather armchairs around small tables. The walls are a warm orange color, and the ceiling has exposed wooden beams and modern lighting fixtures. The logo is centered in a white box with a black border.
