ABOUT *the* VENUE

GENERAL OVERVIEW

The Silverthorne Pavilion sits at an altitude of 8,751 feet along the edge of the famed Blue River. The rustic, yet elegant, facility boasts almost 14,000 square feet of space, including a 1,600 square foot living-room style lobby that faces the Blue River. Guests arrive at the Pavilion by crossing a historic bridge over the river, and are greeted by a patio complete with a large, stone fireplace.

The building features 18 hand-crafted chandeliers, Birch hardwood floors, and a wrap-around mezzanine. **We can comfortably accommodate parties between 20 and 300 guests.**

Our outdoor ceremony site is located adjacent to the Silverthorne Pavilion and with the unmatched views of the Blue River as its backdrop. We also have two indoor ceremony sites to accommodate those not looking for an outdoor ceremony.

BAR INFORMATION

The Silverthorne Pavilion offers a number of options for liquor services, including a cash bar, fully hosted bar, per person bar packages, or something in between. We work to create a package that will work best for you and your budget. All alcohol must be purchased through the Silverthorne Pavilion and served by Pavilion staff, per Colorado state liquor laws. You can find our beer, wine and liquor selection on our website and off-menu items may be requested in advance.
