RURAL RECEPTIONS

Reception Packages 2022

All above amenities also include a standard 10% surplus for any potential damage, breakage, or dropping of dining items that may require replacement throughout your reception, at no extra charge. Our on site coordinator will assist any serving/bar staff with this throughout the evening if need be.

All dining packages also include the use of a freshly stocked coffee and tea side board, with a variety of local Rideau Roastery brews, a variety of herbal and black teas + hot water dispensers. All glass coffee cups, saucers and tea spoons included, as well as all creams, milks and sugars.

Glass 750 ml water bottles with stoppers are also included for tables - one for every 2 guests, filled, chilled and placed prior to dinner service.

One package must be selected upon booking your event, along with your estimated guest count. We are flexible, however, to modify your package selection up until 60 days before your event. Guest count can be modified, marginally, up until 30 days before your event, or even up until the week of if there are any last minute government gathering restrictions affecting your event.

A flat rate of \$10/guest is due for your reception packages upon finalizing your date in Spring/Summer 2021, with the balance due 30 days before your event. Please fairly budget your guest count, so as we can ensure there will be enough service/dinnerware all matching to supply your event (for 2022 we have partnered with a rental company to supply our linens and dishware so as to offer the broadest colour and variety options to our brides and grooms.)

If your guest count drops in any way from what you budgeted, you are only charged the per person dining rate for the number of guests in your final party.

Above packages include full set up and take down of the dining space items in your bundle, so you don't need to worry about any of that. We will provide you with the exact dimensions of the dining building, and you are responsible for giving us your desired table layout one month before your event so we can set the space accordingly. This ensures enough time for us to review it with you prior to your special day, to ensure adequate flow will be maintained.

Please note: clearing of dishware must be done by your caterers/serving staff after your meal/passed hors d'oeuvres to keep your event clear of clutter and to avoid any potential damage to our space. All dishware items need to be simply placed into our dish crates in our adjacent prep building, no washing required.

RURAL RECEPTIONS

Wood cross back dining chairs come standard with all reception packages and are so pretty and sturdy!

Cross back dining cushions in ivory are also standard with all reception packages.

Wood farmhouse harvest tables that seat up to 10 are an option for your reception. No tablecloths are then required, but you still get a table runner of choice, and all other reception amenities you are including in your package of course.
