

DORNER FAMILY

VINEYARD

Introduction

Hello and thank you for considering Dorner Family Vineyards for your next venue site. Dorner Family Vineyards is a gorgeous landscaped garden venue located on 20 oak and pine covered acres in beautiful Cumming's Valley in Tehachapi, CA. It is the perfect tranquil location for your wedding and reception celebration. Dorner Family Vineyard can host upwards of 150 people with ease in its 6000 sq. ft. outdoor garden venue.

Mike and Michele Dorner, the owners of Dorner Family Vineyard, take great pride in the lovely garden setting they have created. The colorful flowerbeds, surrounding the gorgeous lush lawn, are home to hundreds of perennial plants. The garden venue is alive with color from early May until mid-October. Additionally, the venue consists of a raised 32' x 32' deck with dance floor, and beautiful hand-laid stone patios, as well as a stone patio bar and catering area. The five spacious event areas flow together seamlessly, so guests can easily mix and mingle.

Birch and pines line the dry river bed; a popular location for photographs, while the pond houses the giant koi which have been hand raised for the past decade. The relaxing sounds of the waterfall and various water features can be heard throughout the garden. Hand laid stone walkways meander throughout the garden, while benches beckon you to sit awhile and enjoy the tranquility and peacefulness that is home to dozens of varieties of birds and butterflies.

Your wedding ceremony can be held in the lower vineyard beneath the ancient oaks or in front of our historic 'barn'. The choice is yours. Additionally, the vineyard and 'barn' are wonderful backdrops for your photographer to capture your special day. At night, thousands of tiny white lights in the gazebo and soft lighting above the deck and throughout the gardens add a romantic glow while your friends and family dine, dance or just stroll throughout the venue.

Our goal at Dorner Family Vineyard is to make your event as stress free and relaxing as possible. We want you to feel like you are having your event at a family member's home. Our policy is to schedule only one large event per weekend in order for us to focus 100% on you and your special day. We can accommodate an intimate gathering of 50 up to larger events with 150 guests, and everything in between.

We believe that your special day should be just that: special and unique. We know that every bride has their own unique style and we wholeheartedly encourage that. We do not want your day to be a cookie-cutter event. We encourage our brides to let their own personalities shine through while planning their wedding day. We offer our services and rentals to compliment your individual dreams and whole-heartedly welcome your own individual touches.

With extra delivery, rehearsal and retrieval days included in your rental, you and your family have the flexibility to come and go from the venue, making deliveries, and retrieving your personal items at times that are convenient for you. Your special day should be relaxing and fun, not hurried & rushed. You should be able to have the day you have envisioned, including your own special touches. After all your hard work we want you to enjoy your day with family and friends, not be worried about cleaning up. At the end of the evening, leave the dressing areas and outside venue as is. Return the next morning to gather your belongings.

A lot of time and love has gone into making this one of the most beautiful locations in Tehachapi and Kern County. Our ultimate goal is to provide the perfect location for your special celebration, so if there is anything we have not addressed please be sure to discuss it with us.

We appreciate your consideration and would be happy to answer any questions you may have. We pride ourselves in working alongside our clients in order to achieve the perfect setting for their special day. Once you have booked your event with us you can rest assured we will make your day the memorable event you have imagined.

Thank you,

Mike and Michele Dorner
