Frequently Asked

Q: Does the Sandpearl Resort provide an all-inclusive package? A: We are solely a venue & catering service - with in-house audio-visual available. Decor, DJ services, etc. are provided by outside vendors.

Q: Do you plan for us or should we hire a wedding coordinator?

A: We require hiring a wedding coordinator. A coordinator will take care of the fine details while a catering manager is your liaison with the Resort. Our vendor list provides great recommendations!

Q: Does the Sandpearl Resort allow outside catering?

A: All Sandpearl Resort weddings are catered by our exquisite culinary & banquet team. Wedding cakes are the only exception & may be brought in by the vendor of your choice.

Q: What is the payment schedule?

A: A 25% non-refundable deposit is required to reserve your event space & will be charged when a contract is finalized. Additional payments will be outlined in the contract.

Q: Are Room Blocks available for my guests?

A: We are happy to provide your guests with a promotional code for your wedding date with discounts ranging from 5% - 35% off the best available rate. As long as the hotel is offering promotional rates, your promotional rate will be available.
