WELCOME TO HARTLEY FARMS - BUT THIS IS MORE THAN JUST A FARM...

Barbara & Dan Goodrich bought this property in 2005 to expand on Barbara's already thriving wedding venue in Somis, CA. We were looking for something special, and found it right here on the Central Coast. Aside from the 200-year old Oak Tree, this 37-acre property had no improvements in the beginning - no gardens, no house, no water, no power! Everything you see is something we put our blood, sweat, and happy tears in to.

**WE HOPE YOU FALL IN LOVE
WITH IT TOO...**

This 2-acre garden features a **Ceremony** under a 200-year old Live Oak, with amphitheater seating so everyone has the best seat in the house! After the ceremony, follow the meandering, hand-paved walkways past the waterfall, to our unique **Cocktail Area** in the vineyard, and along a shaded walkway where custom made pavers from wedding past are displayed in the walk. You will make your own **Custom Stepping Stone** too! It will be on display as your guests walk by.

After cocktails, move on to the **Reception Area**, where our reclaimed **Grain Bin Bar** is ready to serve up your custom cocktails to guests. Reception sets up under romantic **Bistro Lights**, and in the middle, a large, custom made concrete **Dance Floor** below the **DJ Stage**. To the side is a custom built 40-foot catering **Bottle Bar** - made from wine bottles of past events. Our almost 200 square foot **Luxury Restroom Trailer** with air-conditioning, music, and separate Men's & Women's facilities will be more than adequate for your party guests.

Take photos anywhere in the gardens, but there is more to explore: **The Orchard, Large Open Fields, Row Crops, Old Trucks & Farm Implements**, and more.

**THERE IS NO
SHORTAGE OF
AMAZING
BACKDROPS HERE!**

"Hartley Farms ... was the perfect mix of rustic and garden that we wanted. I knew almost instantly that it was the place before we even made it onto the freeway entrance on the way home. The pictures of the venue are beautiful but to truly see the beauty of this venue you need to come in person and experience it!"
