Host / Cash Bar

A host bar is when each drink served is tallied and at the end of the event the host pays the final check. A deposit of \$250.00 is required for events expecting under 100 guests and \$500.00 for events 100 guests and up. Deposit is due with signed agreement.

A cash bar is when each guest purchases their own drinks. A cash bar may be handled with the bartenders charging for drinks or by a ticket system. Using a tickets system, tickets are sold at a separate location and exchanged for drinks. The client may pre purchase a set amount of tickets and give them to their guests. This is an easy way to budget your beverage cost.
