# TEQUILA

## blanco SILVER \$15

Blanco Tequilas have the most authentic distilled agave taste since no additional flavors are introduced from the beginning of the aging process to the end. All of our Blanco Tequilas are 100% blue agave with added ingredients.

## reposado RESTED \$16

These tequilas spend anywhere from two months to a year in white oak casks. During this time, the Tequila takes on oak and pepper flavors from the aging process while also giving the Tequila its golden color.

## mezcal

Mezcal (traditionally spelled mescal) is a Mexican distilled spirit that is made from the agave plant. Mezcal traditionally has a very unique, smoky flavor that makes it fairly easy to distinguish from tequila.
