

HAVE YOU EVER WANTED TO GET MARRIED

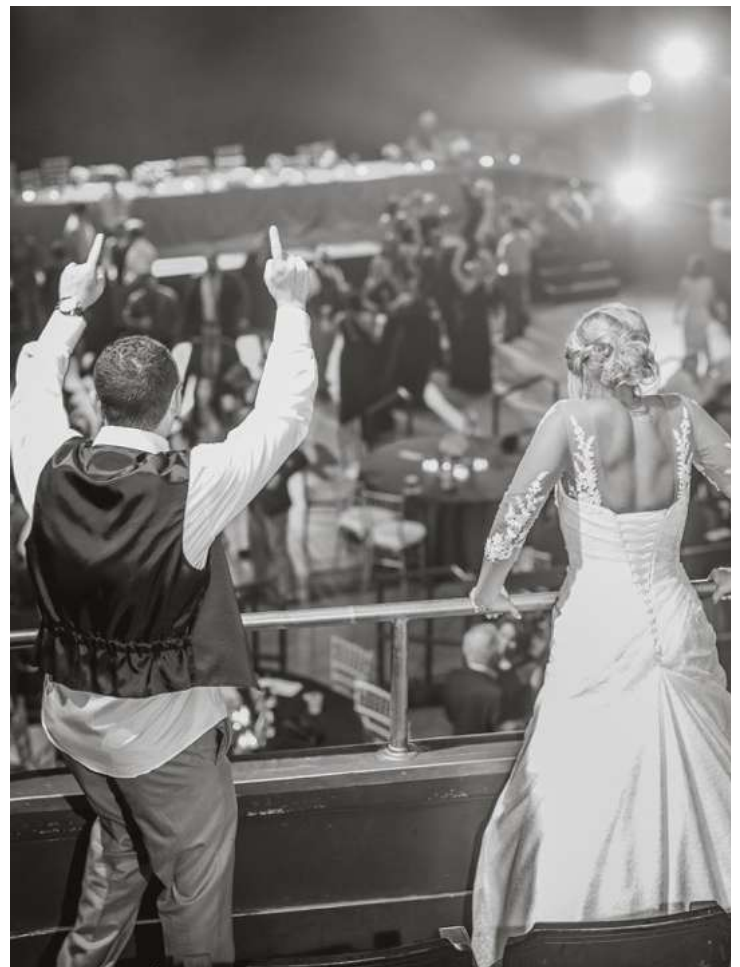

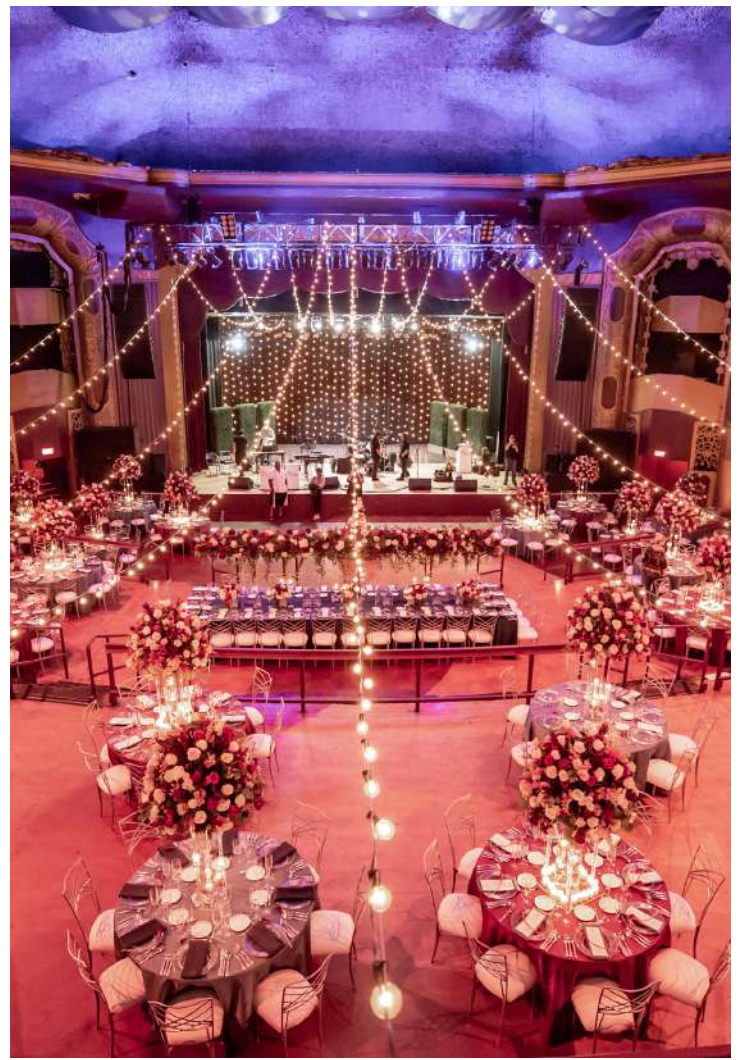

*L*IKE A ROCK STAR?

The Royal Oak Music Theatre is an amazing place to hold a reception that's unique in every way. We pride ourselves on our attention to detail, and promise to create an unforgettable experience that even fairy tales can't match.

Picture driving up to the theatre and seeing your name surrounded by bright dancing lights on our historical marquee. This is the start of your special day.

Enter our historic lobby adorned in true 1920's Art Deco decor. The lobby is a beautifully ornate location to have an onsite ceremony. Or, it can function as a fun and funky spot to hold your cocktail hour while guests mingle and watch a photo montage of your favorite pictures in our digital poster cases!

Afterward, the doors to the main theatre open for guests to experience your grand reception... It's not a dream, although it will feel like one.

Having your reception at a premiere concert venue has many perks. First, there's **multi-dimensional aesthetics**. We have four levels of seating opportunities that graduate down to the stage. This ensures every guest feels important, and guests will appreciate being able to see the bride and groom throughout the entire reception.

Second, we pride ourselves on our **unparalleled performance capabilities**. We use our professional grade sound and lighting systems for every wedding - the same that we use for our concerts! Your guests will be dazzled by the light show as we create an **exciting atmosphere** that will keep them dancing all night. A special feature of our venue is the acoustic tiles that cover the ceiling, so guests can have conversations and be able to hear over the music without difficulties.

Of course we couldn't forget to mention our bar! It becomes a gathering place where goofy pictures, intriguing conversations and (need we mention) **delicious beverages**, are enjoyed by all.

Lastly, we believe that you should be given the option to choose the companies you want to work with. You are given the freedom to pick your own caterer, designer, photographer, entertainment, and florist, or use one of our preferred vendors - you will only be limited by your **imagination and desire** to do as much or as little as you please.

If you've always dreamed of getting married like a rock star, then look no further than the **Royal Oak Music Theatre!**
