Concept

**Welcome to The Jardin
Royalmount, an expertly
designed event theatre garden
located in the heart of Montreal.**

This open-air venue is a versatile space that offers a sophisticated backdrop for hosting private wedding celebrations, corporate events, and special occasions for hundreds of guests in a safe model that allows for proper social distancing.

It also serves as a stylish setting for public functions of any kind.

This site can flex according to government guidelines set by provincial and municipal leaders and conform to all health rules and regulations.

Site Overview

THE GARDEN

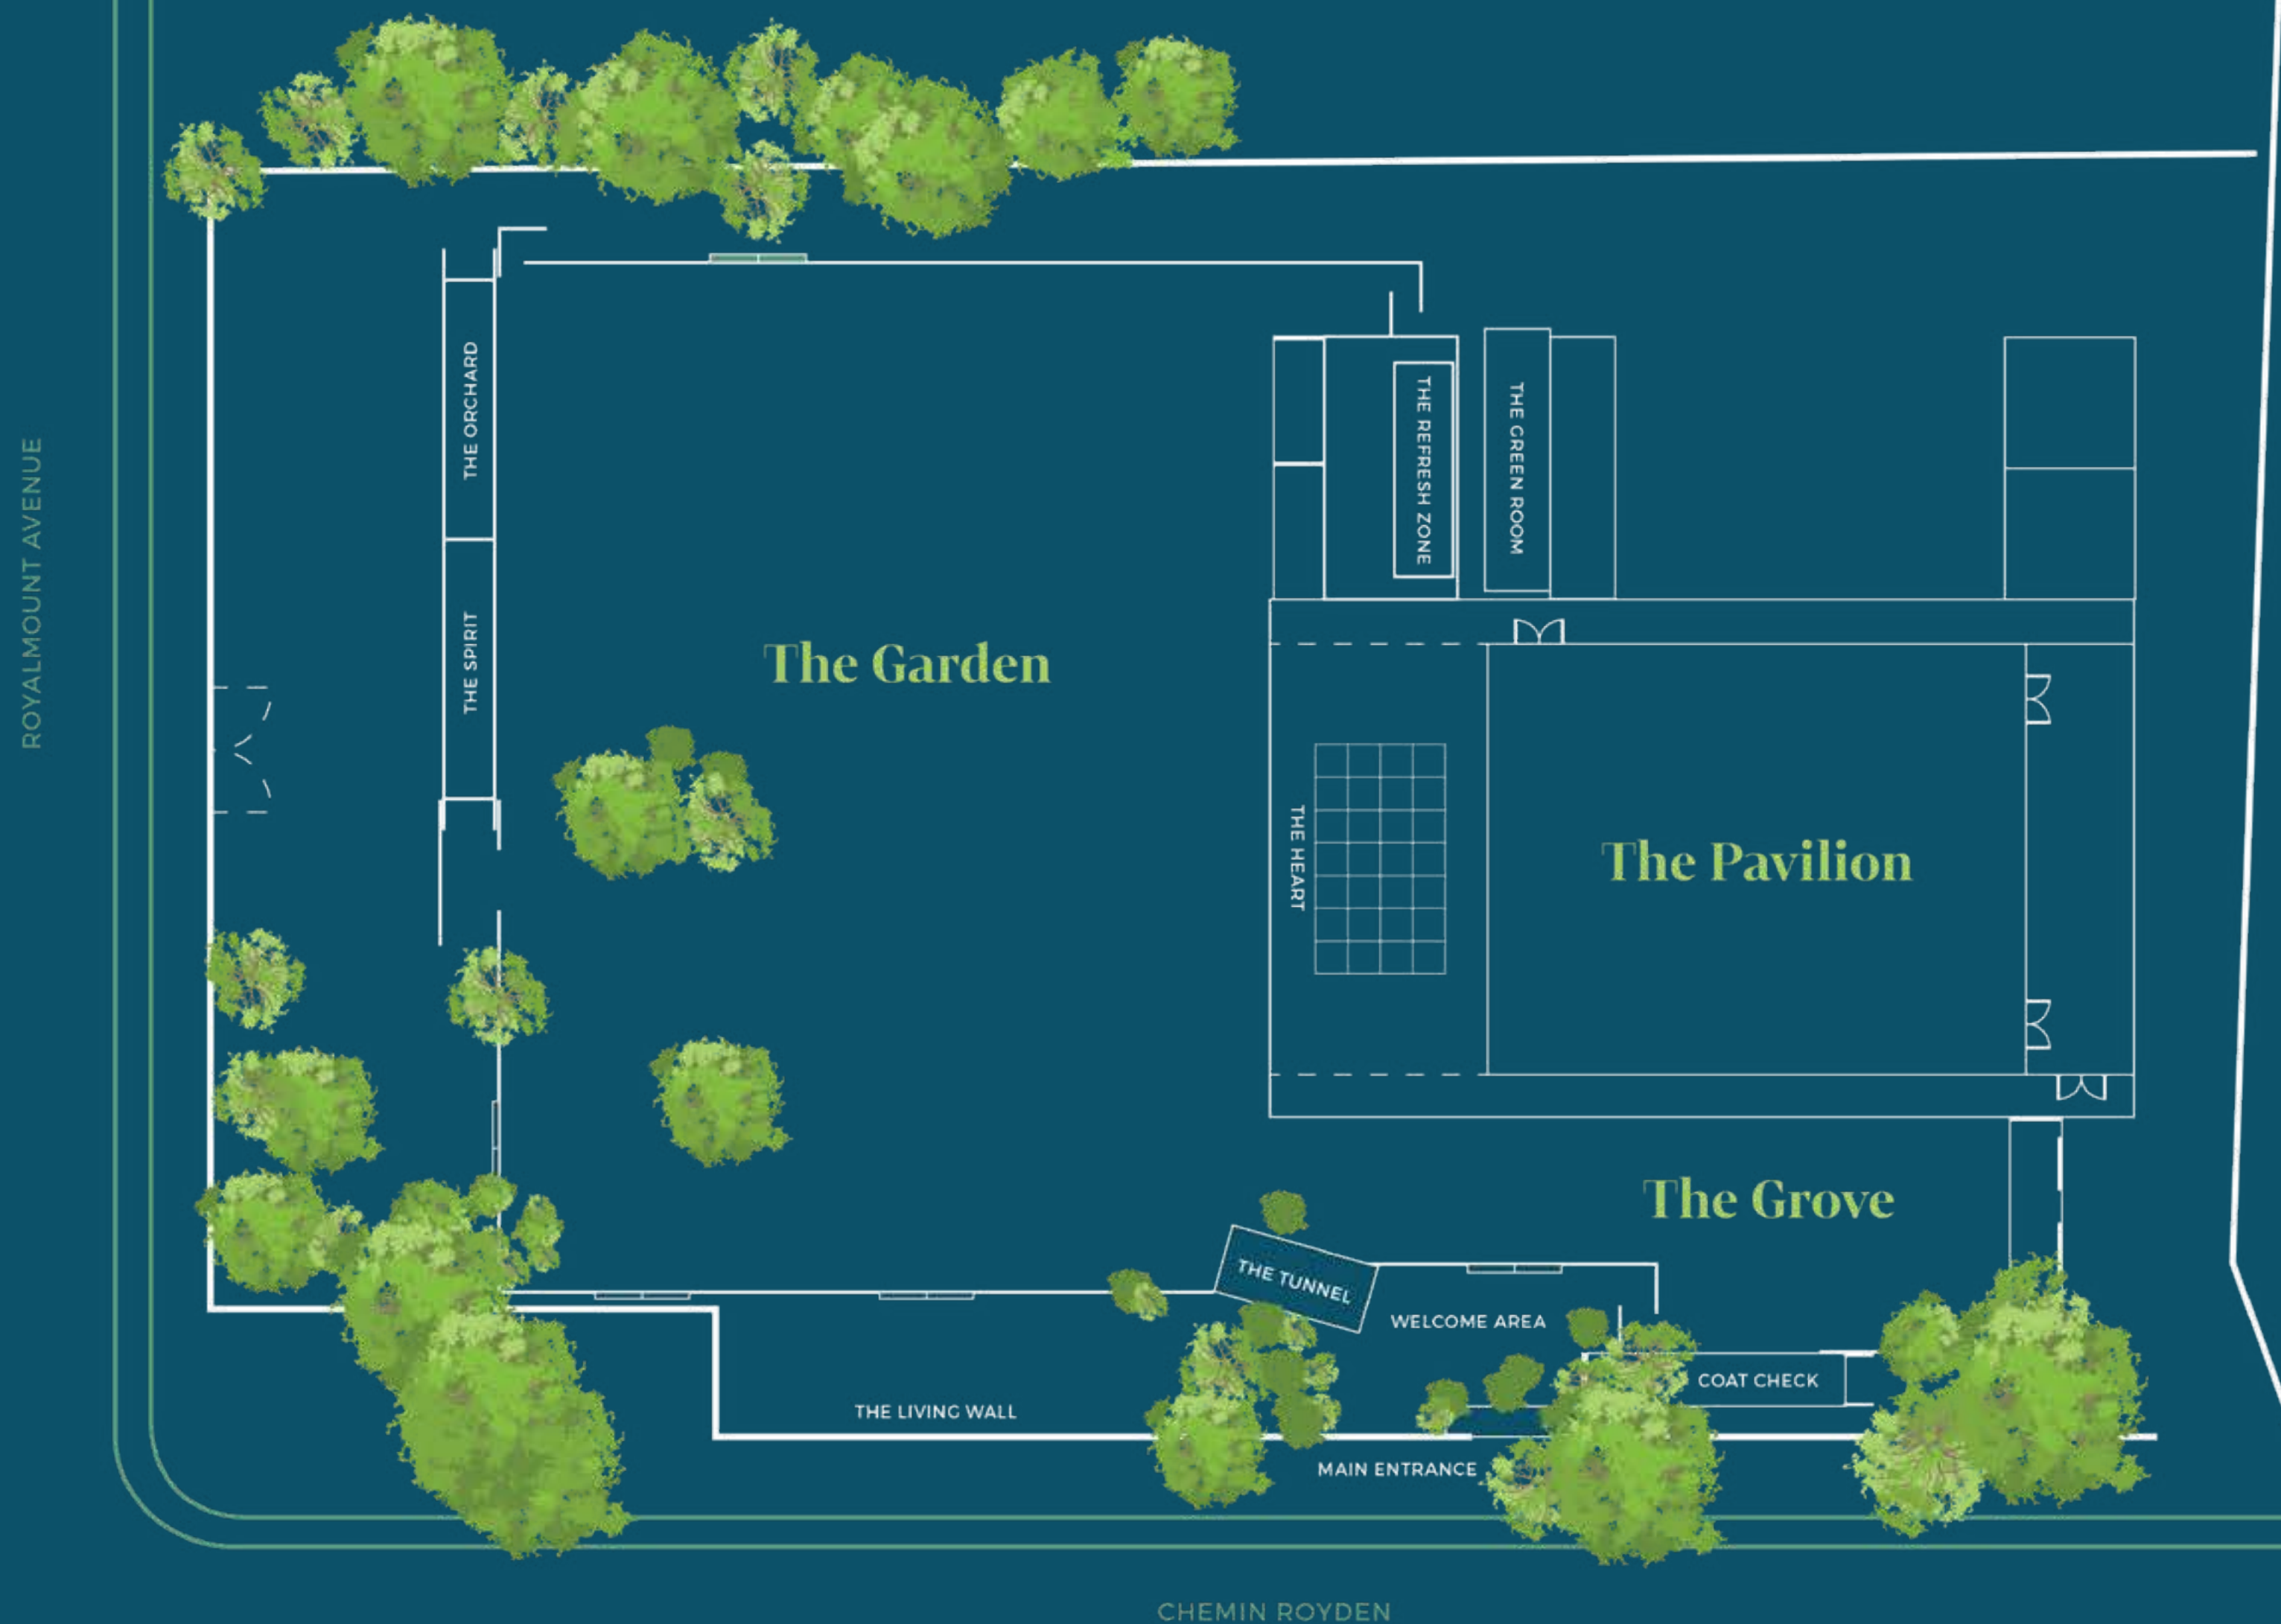

A glorious expansive lawn that makes for a versatile and picturesque backdrop for any type of event. A sun-filled area, lined with trees and hundreds of plants, the Garden offers over 18,000 square feet (1,670 square metres) of endless possibilities unlike anything like it in the city.

THE GROVE

Upon arrival to the Jardin guests are welcomed into a smaller and curated extension of The Garden, that serves as an intimate gathering point within the venue. It will provide premier property for guests to mingle in a bespoke, tranquil setting. This space offers a serene landscape with over 3,000 square foot (280 square metres) space for guests to gather in the most memorable of settings.

THE PAVILION

Adjacent to The Garden lies an 8,000 square foot (745 square metres) covered pavilion featuring glass walls and 22-foot vaulted ceilings. Sliding glass doors can move and open to allow airflow and ensure guests stay comfortable, no matter the weather. This structure is both air conditioned and heated depending on the season.
