

TEXAS GOLF CENTER

PRIVATE & CORPORATE EVENT LIVE STREAMS & VIDEO / AUDIO PRODUCTIONS

Texas Golf Center hosts a cinematic service with state of the art cinematic Live Streams and pre-recorded and live recorded video productions. These highly recommended services provide utilization for your Corporate or Private Event through the online reach of colleagues, friends and family, and general community viewers with our multi-camera cinematic Live Streams directly to your Facebook Page, other social media pages, or your website. Our state of the art technology allows one continuous stream whether indoors, outdoors, or both if you decide to take your event out to the course and ranges.

We guarantee a minimum of a 2 Hour Live Stream, and a direct connection to your Facebook Page.

+\$250 per extra hour of Live Stream (15 minute buffer if the stream goes over 2 hours)

\$100 each additional social media website to connect the Live Stream to

Live Streams cinematically are available indoor and outdoor and are available as stationary or free roam style for a more cinematic and dramatic live stream. Computer connectivity is also available through HDMI for video/computer streaming.

Photography service guarantees immediate on the spot editing and turnaround available even through text so you can immediately post the highest quality pictures to your social media accounts showcasing your special event.

Cinematography service guarantees buttery smooth motion post production videos of your event available in multiple edits.

Add-ons & Options below offer slideshows of existing photos or on the spot photography ready to insert into your live stream, and an infamous Quartet available alternatively as Individual, Duo, or as a Trio for mouth dropping string music covers. We also offer cinematic podcasts that increase the equity in your brand image. Podcast investments advertise to educational listeners.

ADD ONS & OPTIONS

(One stationary picture of the introduction included with the original Live Stream with music)

\$350-\$700 – Slideshow for production (Recommended)

Slideshow of pictures with Music for introduction and/or conclusion for Live Stream productions.

\$350-\$700 – Pre-recorded cinematography for Live Stream production (Recommended)

Pre-recording introduction and/or conclusion

\$250/hr – Photo Booth

The perfect opportunity for professional headshots and/or individual/small group photography edited on the spot via text.

\$250/hr – Podcasts

You have the availability to Live Stream the podcast or pre-record the podcast for an edited version to air on your social media sites or website at any time you would like. Our podcast productions are particularly special because we provide the opportunity to interact with the live viewer chat while you are live, and we can insert pre-recorded videos and pictures at the click of a button for advertisement purposes, etc. We provide a wirelessly mic'd podcast without headphones for a cleaner more cinematic version of a podcast. Accessories are fun, but they are distracting.

The cameras also have the availability to be stationary or with stabilized mobility generating a much more dramatic visual.

GEMINI STRINGS QUARTET

(Also available individually, as a duo, a trio, or a quartet)

The musicians of Gemini Strings are some of the highest trained and most sought after professionals in the industry. They work and perform for companies such as Disney, Universal, and Nickelodeon. They have played with artists such as Black Eyed Peas, Lady Gaga, Lindsey Stirling, Britney Spears, Justin Timberlake, Ed Sheeran, Adele, Sam Smith, Ariana Grande, Shawn Mendes, Pentatonix, X Ambassadors, Bastille, Halsey, CeeLo Green, Iggy Azalea, Deadmau5, Stevie Wonder, Earth Wind and Fire, and Andrea Bocelli.

\$650/Hour – Gemini Strings Quartet
\$225/Hour – Stephanie Moorehouse / Violin
\$225/Hour – Shabria Chantell / Viola
\$225/Hour – Laura Gilbert / Violin
\$225/Hour – Aryn Lane / Cello
