We listen to your ideas, help you set priorities, and honor your budget. Our inclusive wedding package takes care of the essentials that any host needs to have a stunning destination wedding.

WHAT'S *included*

01 EXCLUSIVE RESORT ACCESS

Hold your ceremony on a sprawling lawn, take portraits by our fishing pond, or host a cocktail hour on the poolside terrace. Let your guests dance the night away on our nine-hole executive golf course. Intimate or epic, indoors or under the stars, with private and exclusive use of the entire resort, the choice is yours. This is your day, your vision, and this is the place that can make it a reality.

02 FULL-SERVICE WEDDING PLANNING

One of the most valuable components of our inclusive wedding package is our in-house planning service. We work closely with each couple to create incredibly thoughtful, meaningful celebrations. Our team will be there to guide you through the planning process and then oversee the wedding day from setup to teardown.

03 PREMIUM TABLE SETTINGS

Understated elegance with a touch of glamour. The subtle asymmetrical shape of our organic shaped dinnerware gets rimmed in gold, perfect for your special day. Our premium table setting collection includes: five-piece flatware set, salad plate, dinner plate, dessert plate, water glass, and wine glass.

04 WOODEN CROSS-BACK CHAIRS

Create a charming and inviting ambience at your wedding with this stylish chair. The designer cross-back adds a modern, yet classic appeal to conform to different settings. This durable chair is made of solid wood material. Chairs are lightweight and easily stack for storing.

05 DANCE FLOOR

Up to 24 feet by 24 feet, our all-weather dance floor combines excellent quality and a neutral appearance – perfect for your special day.

06 RUSTIC FARM TABLES & COCKTAIL TABLES

Our gorgeous rustic farm tables (8 feet long by 4 feet wide), are constructed from reclaimed wood and stained in dark walnut. Each table seats 10 comfortably. Matching cocktail tables are 30 inches by 30 inches and 42 inches tall.

07 CEREMONY ARCH

Take your ceremony to new heights and frame the moment you become newlyweds with our wooden ceremony arch. A blank canvas, our arch is ready to be decorated to reflect the mood of your special day.

08 PADDED CEREMONY CHAIRS

Our stylish ceremony chairs include a padded vinyl seat. This chair is painted white and is a favorite for its comfortable feel and conveniently portable design.

09 CUSTOM LIGHTING DESIGN

Lighting is the vehicle by which romance is properly delivered. From simple wall lighting to elaborate outdoor designs, every event requires carefully planned and skillfully executed lighting designs that create an unforgettable atmosphere of romance. We're honored to create this experience for you. (Up to 1,000 feet of market lights and 1,000 feet of twinkle lights included.)

10 40' BY 80' CLEAR-TOP TENT

Our clear-top tent is an incredible way to shelter guests from the elements while allowing the viewing pleasure of the natural surroundings to still be a focal point of the event. The clear-top tent allows natural light and an open space feeling during the day and a starry night feeling in the evening.

11 COMPLETE BOSE® DJ KIT

Bose® L1 Model 2 system, Shure® wireless microphone, (2) DJ GIGBARS®, and DJ booth.

12 DESSERT BAR OR BEVERAGE BAR

Made of reclaimed wood and rusted metal, our dessert bar perfectly complements our rustic farm tables and cross-back chairs.

13 BUDGET TEMPLATE

The budget is one of the more stressful things a couple can talk about when they are planning their wedding. Most couples have no idea how much vendors cost or what they should be spending where. We not only make those conversations a lot easier, but our interactive template allows you to create your budget, track spending, and never forget a payment.

BUDGET GUIDE

In addition to our inclusive wedding package, we've developed this guideline to help you better understand potential costs you can expect. This is a good starting point; however, depending on your own priorities, some aspects of your wedding will be allotted much more funding than others. If you are envisioning a fairytale wedding, perhaps decor is high on your list, so you might spend more on a florist than on entertainment. If the dining experience for your guests is important to you, then catering and beverage might be your big spending item.

14 DIGITAL DESIGN STUDIO

This is everyone's favorite part. This is like Pinterest, on steroids. We create "boards" for every aesthetic element of your day. You can add pictures by dragging and dropping them right onto the boards. In addition, you can build custom color palettes for anything you want, from bridesmaids dresses to the colors you want for the stationery. The program magically finds all the main colors of every single image uploaded and gives you a beautiful color palette, which can be saved anywhere. Our digital design studio is the solution to messy secret Pinterest boards.

15 SIMPLE SEATING PLANS

Truly the easiest seating plan we've ever seen. Once you upload your contacts into our database, it allows you to literally drag and drop your guests' names to their seats with one click. No need to have a wall of stickies or big spreadsheets with confusing color codes: Keep it simple, my friends. You can add and remove any tables you need to, add or subtract chairs with one click, shuffle people around by dragging and dropping, and easily identify children or anyone with dietary restrictions and different meal selections.

16 GUEST MANAGEMENT APP

We've seen every guest list imaginable, from the handwritten to the Excel spreadsheets every couple inevitably starts. Ours is the most elegant, simplistic, and sophisticated version. We can either import yours into ours magically, or, if you haven't started your list yet, you can start with our program. It tracks everything from names, families, children, meal selections, dietary restrictions, addresses, and of course, RSVP responses.

21

MONTHLY CHECK-INS & GOAL SETTING

We will ensure that you are on track with your planning. We'll be there to answer questions and assist in the fine-tuning of details, to ensure you have peace of mind leading up to your big day. Your wedding day is one of life's sweetest moments, and we'll be there to make sure yours is pure bliss.

17

COMPREHENSIVE CHECKLIST

This includes everything you need to do leading up to your special day. Not only is it broken down by task, but we also break it down by date so we know what time frames we should be working within. You'll even get email reminders and in-app notifications, too. We review the checklist with you every time we speak.

AND THESE TOO...

20

VENDOR SOURCING

We recommend and secure your dream team of vendors who complement your style, personality, and budget. Our focus is to create a cohesive team of vendors and ensure that the look and experience is exactly as you envisioned. From stationers to childcare, we have you covered.

18

DAY-OF MANAGEMENT

Supervision and direction of ceremony and reception setup and cleanup.

19 WEDDING DAY TIMELINES

There are, on average, 45 to 65 events that transpire between the rehearsal and wedding day alone that need to be timed perfectly in order for the event to go off without a hitch. Wedding day timelines are the most important part of our job. They ensure that your team of vendors knows what they need to do and when throughout the day, what your wedding party's movements are throughout the day, key times for photo opportunities (like sunset portraits), the order of speeches, song cues, processional and recessional orders for the ceremony, and SO. MUCH. MORE.
