You will choose the setting for your nuptials.

Our well manicured, outdoor lawn over looking the 18th green of our pristine golf course is the perfect spot for all of your family and friends to view your vows.

Our outdoor, covered terrace is also a favorite location which still provides the same course views but also provides cover from sun and inclement weather.

Both locations can accommodate up to 200 guests.

We also can provide a smaller, indoor space which can accommodate up to 100 guests.

Your Ceremony Includes:
