

# FOUR WINDS CASINOS CATERING GUIDELINES

Thank you for choosing Four Winds® Casinos for your hospitality needs. It is our goal to provide you and your guests with friendly and attentive service and creative menus at competitive prices, allowing you to concentrate on the purpose of your event. In order to help serve you as efficiently as possible, please take a moment to review the following guidelines.

## MENUS

Menus are priced on a per person basis unless otherwise specified per quantity. While we have a full range of menus available, our Sales and Catering Management Team is always happy to meet with you to discuss your particular needs. Menu prices are guaranteed for 6 months. Minimum of 20 guests for banquet menu service.

## FOOD & BEVERAGE

All Food and Beverages are required to be purchased through Four Winds Casino. Other than by Four Winds itself, no food or beverage is permitted to be catered either professionally or non-professionally on the Four Winds premises. Food not consumed by attendees may not be taken outside of the venue due to health regulations. Final selections are required to be submitted at least seven (7) days prior to the scheduled event.

Our culinary team will be happy to accommodate special dietary requests, please note however that common allergens such as tree nuts, wheat and dairy are used in our production facility and fractional quantities could still be present in all preparations.

## GUARANTEED ATTENDANCE & PAYMENT POLICIES

In arranging private functions, the total number of individuals attending the function must be specified by 10am Eastern at least three (3) business days in advance of the function. This number will be considered a guarantee and is not subject to reduction. If a guarantee is not provided by this time, we will consider the last estimated number as the guarantee for the function. For all food functions the Banquet Department will prepare for five (5) percent over the guaranteed attendance figure. Four Winds reserves the right to charge for every person served. If attendance is above the guarantee, charges will be for actual number of guests. All events are considered tentative until a non-refundable deposit confirms your reservation unless otherwise specified in your contract. Deposits and payment schedules will be established with your Sales and Catering Manager.

## MEETING ROOMS

Four Winds reserves the right to make changes in function room assignments should your actual attendance or food and beverage utilization differ substantially from original anticipated levels. If a change from the original set-up is requested on the day of function, a labor charge reset fee between \$200-\$500 will be added to banquet check. The patron agrees to be responsible for any damages made to the facility during the time guests are under the patrons control or that of an independent contractor hired by the patron. Four Winds assumes no responsibility for any damages to equipment or property of patron or his/her guests. The rental party agrees to hold Four Winds harmless, and indemnify Four Winds for any personal injury, property damage or other cost or liability relating to its use of the room and the event, except for liabilities arising from the negligence or misconduct of Four Winds.

In addition, the hotel offers an on premises audio visual supplier. Decorations brought onto the premises by the guest or decorator are required to be approved by management and meet all local fire and safety codes. Use of staples, tacks, nails and or tape is prohibited.

## CONFERENCE MATERIALS

All arrangements for shipping and receiving of conference materials are required to be approved and confirmed with your Sales and Catering Contact Person two (2) weeks prior to arrival. Delivery should be no more than three (3) days prior to date of event or storage fees may apply.
