2023 A La Carte Pricing

Our a la carte prices allow you to create exactly the kind of event you need by the hour. All events include tables and chairs set up before you arrive, plus use of our kitchen area, refrigerator, and commercial ice machine. Clean-up is also provided for every event and includes sweeping, mopping, and trash removal.

- **Event Hours = \$250 per hour**
These hours are for the time you expect guests to be at the venue and include the services of an on-site event manager to help ensure your event goes smoothly.
- **Non-Event Hours = \$125 per hour**
These hours are for decoration or set-up before your event and for tear-down at the end of your event. Time for vendor delivery, set up, or tear down is charged at the same rate. This time can be split into half-hour increments.
- **DJ and MC Services = \$150 per hour**
Our DJ and MC services can be customized to your tastes for your event. Built-in sound and lighting systems help keep your guests entertained.
- **Bartender Services = \$25 per hour**
We have a fully stocked bar and can run a cash bar or open bar. If you plan to have any alcohol at your event, bartender services are required.

If you'd like all of these services for your event, we recommend our package pricing. Package prices can save you \$450 - \$975 on your event!
