

The Michigan Firehouse Museum
RENTALS & EVENTS GUIDE

THE SPACE

MAIN FLOOR

Encompassing over 26,000 square feet, the Michigan Firehouse Museum is an event space like none other. Home to a number of Michigan-made and fully restored antique firetrucks, the main floor is a sight to behold (and quite a conversation starter if we do say so ourselves).

MEZZANINE

The Mezzanine overlooks the main floor, and offers a sizeable amount of additional table, performance, or bar space. It is connected to a kitchenette, as well as the full kitchen in the old firehouse.

LOWER LEVEL

The Lower Level of the museum is an intimate gathering space for meetings and small parties. Equipped with a projector, 7 foot screen, a full sized bar, classroom space, and the kids area, the lower level is a versatile environment that can be adjusted to best meet your event needs.

FACILITY FEATURES

In addition to the aforementioned equipment and floor-specific features, we can provide 125 folding chairs, 80 meeting chairs, 14 four foot rectangular tables, 27 two-and-one-half foot cocktail tables, 25 five foot circular dining tables, 15 6 foot serving tables, a portable, 5 foot bar, and a podium. For an additional fee, we can also provide table linens in red, black, or white. Equipped with a museum-wide intercom and speaker system, you have the ability to play music directly from an electronic device or via audio input cable provided by your live musicians.

PARKING

Dependent on your event size and date, there is a large parking lot located just across from the museum that can be made available to your guests. The museum has partnered with the Janowiak Funeral Home and the First Presbyterian Church located on North Washington St. to provide such, and at least two weeks advanced notice is required to request lot parking. Limited handicap parking is available on-site. Street parking available on North Washington and North Huron.
