At Hoosier Grove Barn,

we are committed to providing couples like you an unforgettable and one-of-a-kind experience on your wedding day. We pride ourselves in customizing weddings so they feel warm, fun, and uniquely you. Our beautiful, historic venue dates all the way back to 1888, when it was an actual working dairy farm. With a fully renovated interior, our barn provides all of the modern advances that you need for a wedding or event, without compromising its rustic charm.

Hoosier Grove Barn features a stunning main floor space, where the warmth of the barn wood and romantic string lights create the perfect setting for your special day. A bridal loft is also made available to you so that you can relax and get ready right here on site.

Our one-room schoolhouse is accessible for intimate indoor ceremonies, or a fun photo op, while our outdoor ceremony locations include a lush garden (complete with ornamental fire pits, & a stone water fountain), a cozy semi-wooded silo area, and our classic school steps.

We even have space for an outdoor tent so you and your guests can dine al fresco. With so many customizable options, there really is something for everyone here at Hoosier Grove Barn.

It is important to us that your special day not only looks beautiful on the outside, but feels beautiful on the inside.

We look forward to helping you create the wedding of your dreams!

TESTIMONIALS

"Where do we even begin? EVERYBODY should have their weddings and other events at Hoosier Grove Barn!! From the day we signed the contract until the last guest left at the end of the night, the whole process was absolutely incredible. Vicki worked with us to ensure we had the wedding of our dreams and thanks to her excellent job of communicating, coordinating, and ability to create exactly what we were looking for in our big day. There are not enough words to convey how amazing of a job she did, along with the rest of her staff. Thanks to Hoosier, Vicki, and her wonderful staff, our wedding day was the best, funnest, and happiest day of our lives (so far!)"

"We can't stress enough how amazing this venue is. The campus is beautiful, the wedding package is an amazing deal, and if we had to do it all over again, we wouldn't change a thing. Thank you Hoosier for making our wedding day everything we could have dreamed for."

- Kelly; married May 22, 2021

"Words cannot describe how amazing Hoosier Grove Barn and their entire crew was during our wedding process. Vicki was beyond helpful all the way from our first tour through our reception. They literally handled everything from start to finish. A bride couldn't ask for better service. They were extremely accommodating during the entire COVID outbreak and their communication was flawless. We got so many compliments on the venue and the ambience. Book them now! Don't wait!"
