LOVE NOTES

Recent Reviews from Barker House Couples

From the first meeting to the midnight toast every little detail was perfection. The team made sure the wedding party was treated like royalty. Our parents said that someone was always asking if there was anything needed and the answer was always no because they had already been a step ahead, and all was executed flawlessly. The room was beautifully decorated, and all our guests raved about the food. The passed appetizers were excellent, and the meals were all perfectly presented and delicious. We are so glad we chose Barker House for our wedding reception.

The venue was beautiful and we got numerous compliments. The food was so delicious! We didn't have to think about anything! We were told where to go and what to do exactly as we had previously planned and discussed. Barker House was so affordable and we know selecting Barker House was the best choice!

Barker House is an absolutely perfect place for your special day!!! The ballroom is so gorgeous that you don't need additional decoration! An amazing garden and a great light house and peaceful beach near by will give you numerous locations for wedding ceremony and photo shoot... We were very lucky to have had our wedding in Barker House! Highly recommend this place for any special occasion!
