VINEAPPLE

BOOKING WITH US

Vineapple does not charge a venue rental fee for private events, rather we have a food & beverage minimum spend that varies based on the desired day, time, and space you would like to reserve. If an event does not meet the food & beverage minimum, the difference will be added to the final invoice.

Food and Drink package pricing does not include NYS sales tax, 20% gratuity, or 10% admin fee. These taxes and fees do not count towards the minimum spend.

Spaces are reserved once the 50% deposit is received. Events must be booked at least 72 hours in advance. Vineapple can accommodate allergies and dietary restrictions if communicated in advance.

Brunch parties can only be booked to begin at 9am or 2pm, unless the event is a full restaurant buyout.
