

# 2023 Summer Tubing Groups

Ski Ward is one of the area's most popular year-round attractions and during the summer, we offer summer tubing; one of the only ones of its kind in New England. Summer tubing is perfect for all levels and it's not wet, but it's wild and we now have **six 250' tubing lanes** serviced by a carpet lift! Our summer tubing offers all the fun of sledding but without the hike or the cold.
