A COMMUNITY LIFE CENTER EVENT

We offer local businesses and opportunity to host their corporate events, and families to host social events at our beautiful venue. The Courtyard & Crystal Tower, Buchanan Ballroom, and Rotunda provide unique indoor/outdoor facilities accommodating up to 300 guests.

BUCHANAN BALLROOM

This ballroom is often utilized for indoor events. The ballroom features tall windows, wood columns, vaulted ceiling, and numerous crystal chandeliers provides a wonderful canvas for you to create the look and feel you want for your event. The Buchanan Ballroom can accommodate up to 300 guests. It is fitted with state-of-the-art audio/visual equipment. Each event is custom designed to fit your needs.

THE ROTUNDA

The Rotunda offers a unique and intimate space to host an event. The imported Italian marble floor, pillars and serene fountain provide an elegant backdrop for your corporate or social event. The Rotunda can accommodate between 150 guests in the back portion. However, we have accommodated close to 225 guests when utilizing both sides of the Rotunda.

When not used for an event, the Rotunda also provides another alternative for cocktail hour and can also be utilized to house any auxiliary tables. Can accommodate parties up to 320 when used in conjunction with the Buchanan Ballroom.

THE COURTYARD & CRYSTAL TOWER

This open-air courtyard provides a breath-taking sight for an outdoor event. Surrounded by seasonal flowers, it can accommodate up to 300 guests. The Crystal Tower and accompanying Glass Atrium also provide a perfect location for pictures or cocktail hour for guests.
