Thank you for your interest in our venue!

We have weddings at our venue on Fridays, Saturdays, Sundays, & occasionally weekdays from the last weekend of May to the 1st Saturday of October each year.

We have a maximum occupancy of 150 people.

We do not have preferred caterers, so you can choose whomever you want for food.

Since we are a licensed winery, if you would like to serve alcohol to your guests, then you must choose from one of our alcohol packages.
