

I am writing to introduce our band for your consideration at future parties and events that you may host in the Northwest Arkansas area.

OFF THE GRID is an eight-person cover band that plays classic rock, southern rock, country and blues for both dancing and listening enjoyment. Our music is best suited for audiences whose musical tastes are the classic hits from the 70's, 80's, and 90's.

We have been together for over two years, and all members have played either professionally or semi-professionally for many years prior. **OFF THE GRID** has performed at many venues in Northwest Arkansas, including the Bella Vista Country Club, The Gear Garden at Blowing Springs, Railyard Live at Butterfield Stage in Rogers, and many more.

Our fees range from \$500 to \$2,000, depending on location and event duration. We have our own sound and light equipment, or we can use existing systems if preferred.

If you are looking for a popular live band for one of your next events we would appreciate your consideration. Please feel free to contact me with any questions, or for additional information on our group. You can also view us on Facebook at: OFFTHEGRID.NWA

Very Best Regards,

Jim

Jim Dinwoodie, band leader
