## BAR INFORMATION SHEET

Not every party needs a bar, but if yours does, we pour a great drink. We'll make sure your guests have a great time without getting your budget hammered.

Hackney's has lots of ways to handle bar service: we can even supply your own private bartender with your own private mahogany bar.

We offer over 100 different brands of spirits, beer, and wine and stock our "well" (spirits poured when a guest doesn't specify a brand) with quality spirits.

Well drinks start at 9.00, beer at 3.95 and wine at 8.50 per glass.

### Open Bar

With the open bar option, all drinks served by our servers and/or bartender are added to the bill.

### Cash Bar

With a cash bar, our servers collect the price of each drink from your guests.

### Beer & Wine

A popular way to offer your guest something to drink while keeping costs down is a beer and wine table.

We set up a table with beer and wine on ice, with glasses on the side. Your guests help themselves.

At the end of the party, we tally how many bottles of beer and wine were consumed and add it to the bill. Bottles of house wine are 32.00 (You can take home any leftover wine).

### Bartender Option

If your party is booked in the Shillelagh Room, which has a full service bar, we can staff that bar with a bartender (\$40.00 fee on a cash bar).

As the bar often becomes the center of the party, this option is highly recommended.

*Suggested gratuity of 18% and 20% will be shown on the final bill.*

*Cook County Sales Tax of 9.75% will be added to all bar items.*
