

### *The Eclectic Woodlands at 693 Central Avenue in Eclectic, Alabama*

Developed along a meandering stream with meadows, ponds, wildflower gardens and magnificent trees, The Eclectic Woodlands is our outdoor wedding and event amphitheater in the curve of a gentle hill which is perfect for staging a wedding. It is located on approximately 20 acres of land in the midst of our 500-acre Treasure Forest and only a half mile from downtown Eclectic. Imagine arriving in a horse drawn carriage and walking through the cathedral of trees to the altar! We have even found a way to give the groom a dramatic entrance on a comfortable path down the hill in front of the congregation. Let us show you how we have carefully sculpted procession routes through this natural setting for all participants in the wedding party. "The Little House in the Dell" overlooking the wildflower gardens offers the bride and groom comfortable facilities for the day. Choose The Warehouse, a tent, The Music Barn, The Banquet Hall or The Eclectic Ballroom for your reception or rain date. We love doing outdoor weddings so let us know your thoughts and needs to create a special experience in the beauty of nature. Special four-day rate plus cleaning fee and damage deposit required. Call or email for pricing.
