

### *The Music Barn at 1024 Central Avenue in Eclectic, Alabama*

Across the pond and beyond the log cabin on the crest of a hill, this outdoor pavilion will capture your delight. Nestled up against beautiful Alabama woods, the Music Barn is a 2100 square foot open-sided pavilion with a beautiful southern vista down meadows to the creek. This facility works well for up to 100 guests and includes beautiful honey-colored pews that accommodates this guest count. There is a circle rose garden and a fire pit that is included. Beautifully lit by a chandelier and fairy lights, it has tiered outside seating for intimate music events and performances. It is also perfect for weddings and receptions at an affordable rate plus family reunions and parties. The central white sand floor under the high roof is wonderful for dancing barefoot. The pond is an established woodland pond that is well stocked with fish. Rented in conjunction with the Pond Cabin, these two venues bring together pure southern charm and simplicity sitting on 500 acres with lots of hiking trails. We suggest combining it with our downtown venues for extra special indoor and outdoor town/country experiences. Tables not included. Cleaning fee and damage deposit required. Call or email for pricing.
