Venue 122 @ the CPJHC operates all beverage service under a beer and wine liquor license. The Arizona State Liquor Commission regulates the sale and service of beer and wine only. Venue 122 is responsible for the administration of these regulations.

Subsequently, no wine and beer can be brought onto the property from an outside source. Immediate confiscation and potential early closure of event could result if policy is violated by rental client or any guests of rental client.

Open alcoholic containers may not be removed from the areas rented by the user. Venue 122 reserves the right (without obligation) to refuse to serve alcohol to anyone who management deems to be overly intoxicated or out of control. No alcohol may be served to minors. Please contact the Event Manager to coordinate your alcoholic beverage service.
