ABOUT

Congratulations, you're engaged! We are so honored to work with couples from all walks of life to create a day that is uniquely you. On your wedding day, you'll have a team to advocate for you, be by your side and help you pull off a celebration that's one to remember.

Our customizable services include everything you need for your big day. No matter what, we'll be by your side from day one. When it comes to working with us, the possibilities are endless. We'd love to hear from you!

OUR TEAM

Throughout the wedding planning process, you will be assigned one of our lead planners. She will be your point of contact from the beginning until the end. On your wedding day, they will be present for 10 hours for the entire day.

Each one of our lead planners have extensive experience in the event industry and have worked for our team for over a year. Each planner has performed at least 50 weddings for our company. You can trust that you are in good hands with our incredible team!

LEIGH & CO

OUR APPROACH

With our personalized approach to every single couple, we work together to tell your story with personal touches that make for an unforgettable celebration. Our understanding of your personalities, tastes and styles allows us to craft a thoughtfully designed wedding that is full of classic, romantic details.

It starts with you. From the very beginning at our initial call, we'll work together to explore your budget and needs. Our custom packages are made specifically for you. No matter which package fits you, we'll be there throughout the entire process. Our expertise and experience allow you to save time and energy! We focus on relieving the stress, while you can enjoy the fun of planning. Our team of experienced wedding planners help you pull together the most perfect celebration that is uniquely you. And, on the big day, we'll allow you to be present by taking care of all day-of initiatives.

Our customizable services include everything you need for your big day. No matter what, we'll be by your side from day one. When it comes to working with us, the possibilities are endless. We'd love to hear from you!
