Ocean Front Weddings

At Seascape Beach Resort, your wedding is about so much more than two people saying “I do.” It’s a weekend with friends and family, a celebration of community, and the pure, spontaneous joy of building a life together. Stylish, distinctive, refreshingly unconventional. Whether it begins with a beach fire welcome reception on our private beach or winds down over a farewell brunch overlooking the bay, your Seascape wedding is strung together by made-for-you moments to be shared and celebrated.
