# Important Wedding Policies

Due to the demand for Weddings at Seascape Beach Resort, we do impose minimum guest counts for consideration of bids and ceremony/reception locations.

Weddings with 100 or more guests are required to have a 3rd party wedding planner AND on-site day of coordinator. Weddings with 40 - 99 guests are required to have an onsite day of coordinator. Which will need to be communicated to the resort a minimum of 90 days prior to your event.

All events include access to designated location at most 1.5 hours prior to event start time for décor set up. This is subject to change with or without notice based on the hotels availability of event location. A 1 hour rehearsal time will be arranged as part of your event the day prior to your ceremony.

We understand there are isolated circumstances that a wedding would desire to have a special wine/champagne toast. The hotel will charge a \$50 per bottle corkage fee which is subject to service fee (taxable) and taxes. With the limit of one (1) case of up to twelve (12) bottles for the duration of the event.

A row of champagne flutes filled with bubbly liquid, set on a white tablecloth. In the background, a hand is visible holding a card. The scene is outdoors with a blue sky and greenery.
