

CONVIVIUM

EVENT PACKAGES

Life's most cherished occasions are best shared with friends and loved ones. At Convivium of Raleigh, we specialize in crafting unforgettable gatherings—whether it's a birthday, corporate milestone, or retirement celebration, a baby shower, engagement party, wedding welcome, rehearsal dinner, or wedding reception. Bringing people together to celebrate life's meaningful moments is our passion.

Our newly renovated venue provides a sophisticated and versatile setting for any gathering, comfortably seating up to 200 guests with options for creating more intimate spaces. Enjoy the privacy of dedicated spaces and restrooms, personalize your experience with custom beverage selections at our private bar. Elevate the atmosphere with independently controlled lighting and audio systems and utilize our projector screens to share cherished memories and presentations.

The open, flexible layout of our venue invites effortless customization, allowing for tailored seating configurations, designated areas for buffets, photo booths, ready rooms, gift tables, champagne walls, party favors, and so much more. Unique customizations for each event allow our modern-industrial space to be reimagined for formal dinners, receptions, and other themed celebrations.

Formal dinnerware and linens, alongside an extensive selection of decorative elements from our preferred vendors, are at your disposal. We're proud to partner with local businesses and trusted vendors to offer turnkey services that meet any event requirement. Need a DJ, photographer, champagne wall rental, or custom cake? We have you covered!

It's our privilege to be part of your milestone moments. We look forward to hosting your next celebration at Convivium of Raleigh, where every detail is designed to make your event truly exceptional.
