Nestled against the foothills of the Blue Ridge Mountains, Long Branch boasts some of the best views of the Shenandoah Valley. Our gardens are an ideal space for traditional Virginia weddings as a beautifully groomed ceremony site.

For smaller parties or inclement weather, the Main Gallery inside the mansion can accommodate up to 75 guests for a more intimate Virginia wedding and reception venue.

Regardless of the location you choose, Long Branch offers a Bridal Suite and Groom's Room to prepare and relax for your big day. The Bridal Suite, with views of the ceremony site, is a gorgeous upstairs room with elegant dressing room and bathroom for the bride and her bridesmaids to get ready, while the groom's Tack Room is an ideal spot for the groom and his groomsmen to enjoy pre-wedding preparations.

We offer a limited number of dates in the calendar year for small weddings under 150 people, so contact us regarding availability for your big day and schedule a tour at 540/837-1856 or at [info@visitlongbranch.org](mailto:info@visitlongbranch.org).
