FACILITIES HIGHLIGHTS

Indoor Venues

Sylvan Chapel – built in 1778, originally as a pump house for Sylvan Lake. This small building is surrounded by the Sylvan Pond and our new Science Center Amphitheatre. An intimate setting, the chapel seats 12.

Kachel Chapel – set inside an historic 19th century building, this venue contains the original leaded glass windows, crown molding, a grand piano and swell organ. Hold your lovely ceremony here with 70 of your closest friends and family members.

Merner-Pfeiffer-Klein Memorial Chapel – with 40-feet-high stained glass windows throughout the building, Albright's main chapel provides a beautiful setting for a wedding. It holds a Baldwin Grand Piano and a Schantz four-rank, three-keyboard organ with 2,345 pipes. Memorial Chapel, which was recently renovated, seats 742 and has been fitted with new seating, risers, and a stage extension.

Outdoor Venues

Sylvan Pond – a lovely garden area surrounded by academic buildings includes a walkway and seating areas for guests.

Amphitheatre – ideal for an outdoor wedding ceremony, this is surrounded by our Center for the Arts building, home of Albright's music, art and theatre programs.

Great Lawn – at the heart of campus, this grassy area contains trees and gardens to create the perfect backdrop for your wedding ceremony.
