

T. B. M. PRODUCTIONS

"Our Customers Are The Boss"

History

T.B.M. Productions was founded in 2003 after seeing the need for DJ services that put the customer first. Most DJ's want to charge an exorbitant cost for your special day. We don't believe in that at T.B.M. Productions. We believe in fair and upfront pricing. We work with our clients to be within their budget and to customize a play list for their special day. We have a vast library of music. We cover the 50's to today's top hits and everything in between.

Frequently Asked Questions:

Is the bride able to meet the DJ before booking?

Yes, in fact we insist that the DJ and bride and/or groom meet before the wedding to insure that we meet their expectations.

If you do not have one of the songs pre-requested by the couple, do you require that they provide it?

We do not require that the couple provide the song if we don't have it. We will acquire the song for them.

What is your usual attire?

Our attire is professional, depending on the event. If the bride requires us to be in a tux; we will arrive in a tux. We will NEVER arrive in jeans unless of course that is what the bride requests.

Do you offer special equipment into your service?

Yes. We offer a fog machine and LED lighting.

Currently we have added a memory kiosk, which is a monitor that will show pictures in a slide show format on a high definition LCD monitor.

Do you usually emcee the reception and/or talk between songs?

Yes, if that is what the couple requests. If they want us to just play their specified songs, we will do that as well.

Do you take any breaks?

No, we do not as our DJ's work as a team. There is always a DJ present.

Do you charge for travel expenses?

No, we do not charge for travel expenses or charge a fuel surcharge.

What our Customers say....

"They are simply THE BEST!

From the moment we spoke with them until the end of our event, they exhibited topnotch professionalism, courtesy, and hospitality. They have a MASSIVE library of music from the 1920's until Today. Big Band, Jazz, Country (classic and pop), Top 40, R&B, Rap, Soul, Classic Rock, Glam Rock, Roots... you name it, they've got it. What's even better is that if (miraculously) they don't have something, they'll get it at no cost to you!!

We hired them for our wedding this past December at A New Leaf. They arrived on time and setup without any interference from us. We chose the music that would play during the ceremony and they timed everything perfectly. They stuck to our play list and took some requests from our guests while being respectful of our "no play" list. The DJ took care of all announcements and was articulate and friendly.

They'll do whatever it takes to make sure that you and, more importantly, your guests have a great time!!"

Corey & Jennifer B., Arlington Heights, IL

"TBM Productions is a professional DJ company that offers unparalleled service compared to other DJs. They are extremely in tune with their clients, therefore making the entire experience organized and seamless. Fun and easygoing, TBM is the way to go!"

Kristin La Voie Photography

"We loved having T.B.M. at our wedding they helped in all aspects from music selection to timing of events during the wedding. They knew exactly what they were doing, would highly recommend and would use again if an occasion needed professional music."

Andy & Christina J., Channahon, IL

"We are grateful to TBM for agreeing to do our wedding at the last moment! After our first DJ flaked out, we were planning on just doing an I-pod wedding, and I'm glad we didn't. Buddy was the opposite of the other DJ--very attentive and good at staying in touch. We hadn't given much thought to the music we wanted at dinner, so we let Tracy and Buddy choose, and it was great. Everyone could actually hear the ceremony and speakers at dinner, as well as the string quartet, but they were also good at staying within the stringent volume requirements of our site, which was an historic mansion with strict rules. We were also very pleased with their reasonable rates. Overall, we had a great experience with TBM!"

Cliff & Amy B., Oak Park, IL
