## Photo Booth

**Our Photo Booths are designed to have the look and feel of the classic booths of yesterday but enhanced with today's technology. This combination creates an experience that is both easy and fun. The following pages will provide you with an overview of both the look and function of our booths. After reviewing the materials included you are welcome to stop by our office to give it a try for your self.**

### **Slide Show**

**On this screen you will see an on-going slide show of all the Photos taken at your event.**

### **Photo Pickup**

**Approximately 20 seconds after exiting the booth. Your photos will be available here.**

**Video Screen**  
Once seated inside the photo booth the Video Screen will give you clear instructions.

**Color or B/W**  
To start the Process you will push either the "color" or the "Black and White" Button.

**The Count Down**  
The Booth will then proceed to take 4 pictures. There is a 4 second countdown between each shot. The on screen instructions help you prepare.

## Flash

The booth will flash when the picture is taken to make sure you are seen clearly.

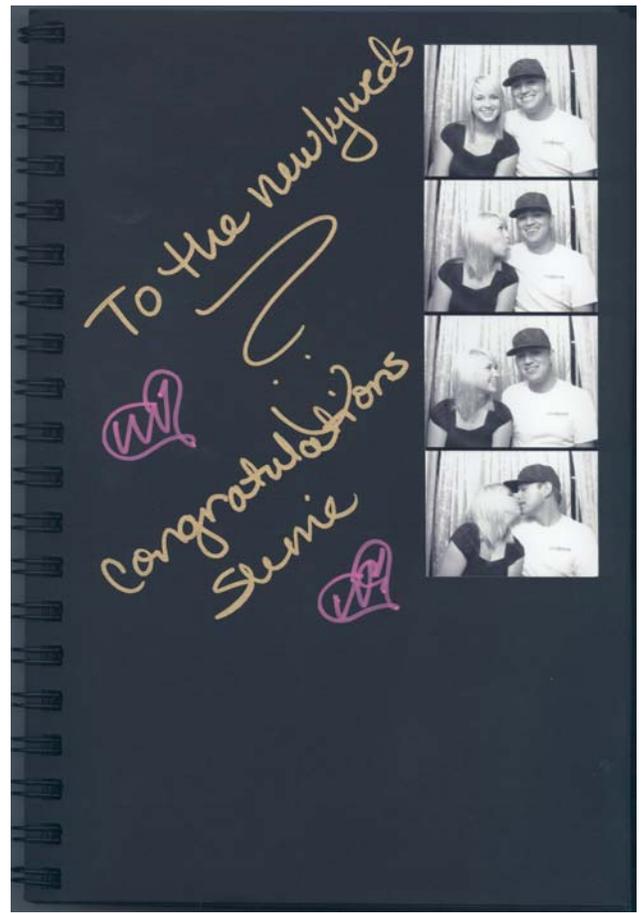

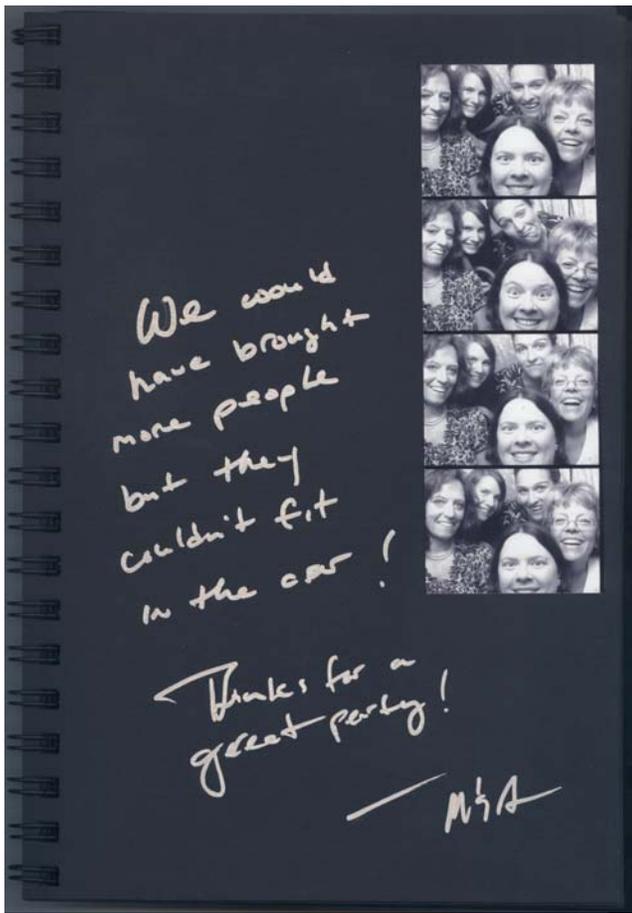

## The Vend

When the Photo Booth vends your pictures it does so as a duplicate print. Our on site technician will then cut the photos into 2 strips. We can give 1 to your guests and one for you, or give both to your guests. You let us know.

## Customize

We can put a custom message at the bottom of each photo strip. We can put the message on just the guest strip or we can do no message at all. You let us know your preference on the pre-event worksheet.

## Photo Guest Book Add On

This is a great add on for weddings, birthdays, Mitzvahs, anniversaries, or any event where there is someone who is being honored. After the pictures are in hand, we will invite your guests to place the second strip in the photo guest book and write you a short note. If this option is added to your package then we will provide the book, pens, glue and cutter.

## Photo Disc

At the end of your event we will give you a disc with all the images from the booth. These are yours to reproduce in any way you desire. There is no extra charge for this disc.
