Michelle Butler, Coordinator of Student Programs,

"The feedback from the ticket holders was 100% positive, not just in regard to the performance, but also with the beauty of the Edmonds Center for the Arts, the acoustics, and the people who took care of us."

Jane Elise Bloom, Executive Director,
Parkview Services

"I love that every transition, every element is right there and ready to go, which means we can focus on filling the hall with music—what a treat!"

Michael Clark, Conductor / Artistic Director
Rainbow City Band
