Yari More and his band were FANTASTIC!!! They livened our wedding up with their fun salsa music and got everybody dancing, even people I have never seen dance were dancing at our wedding because Yari got them too! I very much recommend having them play and would gladly have them play at another party for us again! They were also reasonably priced, professional, and flexible with what they needed to play at our wedding.

Yari More Orquestra responded with the following comments:

Hello Ana and Vince.

I really appreciate you testimonial. I hope to see you in one of our performaces.

Take care.

Yari More.

When we look back on our wedding day and all the expenses that go along with it, we are in 100% agreement that the best investment that day was hiring Yari More y Su Orquestra. Yari was very easy to work with, helped us arrange a schedule for the reception and acted as emcee along with his bandleader duties. The first time we heard Yari we knew that sound would be intoxicating for our guests and we had to have it. Of all the compliments we received on how we planned our special day, the band at the reception is always at the top of the list. In fact, since the wedding, we've gone out with friends to continue to enjoy Yari y su Orquestra at different venues around Los Angeles - and we keep buying his CDs as gifts! Hiring Yari lifted a huge burden for us, too - we basically said, we need music and he said, I'll take care of it and we had NOTHING to worry about. Professional, dynamic and simply outstanding!

Hello Yari, just want to say thank you very much for making my brother's wedding such a success and setting everything up for the party. I feel very honored to have you at the wedding to sing all those beautiful and romantic songs. I was impressed in the way you involved the crowd dancing and having a great time.

I have your card, and I plan on calling you back next year for my daughters wedding. ;)

Take care and God Bless to you and your family.

Thank you
