The Best Mix of Music, the Coolest Original Dances, , Personalized Recordings, and Custom Introductions are just part of my Event Planning Program. Let's face it, having the right music and entertainment is one of the major keys to making your Event successful and fun. I've been a professional DJ and Master of Ceremonies for over 25 years and in that time have helped hundreds of Event planners achieve amazing results with their Events. My professional experience began when I was very young as a club dj then moving into radio before I was 24. Finally as a drummer for national recording acts touring with some of the finest and top entertainer's in the world!! I am **NOT** a “cookie cutter” DJ company with many many DJs to book like some other dj companies. What I offer is **HIGHLY PERSONALIZED, UNIQUE & UNFORGETTABLY FUN** Events with only the Top Entertainers in the field.
