

Elite Strike Fighter Scramble Mission Briefing

Mission Overview:

In the military, as in business, you never know for sure what threat may arise. As details of this mission profile are classified to ensure mission success, intel on its execution can only be gained by contacting Air Combat Zone. This mission profile is sure to both challenge and entertain the participants while they prepare themselves to meet any threat as fully trained strike fighter pilots. A combination of air-to-air and air-to-ground combat combined with standard pilot skills including take-off, navigation and landing prepare the mission pilots for the unknown..... Best executed after holding a meeting or presentation at Air Combat Zone, the Strike Fighter Scramble delivers our most complete experience, with a touch of competition while also reinforcing key organizational goals in a way only possible through jet fighter entertainment. Please contact us for details.
